

PUPPY PARTY SIGN-UP

Our goal is HAPPY PUPPIES AND HAPPY OWNERS! There are two peak periods of socialization in the canine – when puppies are 6-8 weeks old and then again from 12 weeks to 6 months of age. By definition, a well-socialized dog refers to one which has the ability to handle change and can bond to people, other species, and new environments. When we discuss topics and demonstrate exercises for socializing pups, we want them to see “change” as a positive experience. Our Puppy Party provides a window of opportunity to have fun while learning in the socialization process.

PARTIES ARE HELD ON WEDNESDAY EVENINGS FROM 6:00PM - 7:00PM.

IMPORTANT INFORMATION:

- Puppy Parties are for puppies between the ages of 7-14 weeks old at the start of the class. Each puppy is allowed to bring a maximum of 2 humans along to participate.
- Children are welcome to attend, but we require an adult to handle the puppy during class.
- Please be advised that many of the activities will require you to sit on the floor with your puppy and some activities may be held outside so please dress for your comfort.

REQUIREMENTS:

- All puppies need to be current on vaccines (please bring proof of current vaccinations to the first class).
- Please bring your puppy in on a six foot nylon or web leash (no flexi-leashes or chain leashes, please).
- Bring plenty of soft treats (soft enough so that it can be broken into tiny pieces) and a squeaky toy to each class.

We offer classes in packages of three for \$75 per puppy. The fee is payable prior to the first class. Please note that your spot in class is not guaranteed until payment is received.

We ask that if your puppy is ill the day of class that he or she be left home and you can come and share another puppy so you do not miss out on the lessons.

We hope you will come to each class to benefit maximally from the session. If you are unable to make one of our classes, please let the trainer know the week before or call the hospital before 5pm on Wednesdays. **Classes may be postponed or canceled if minimum enrollment is not fulfilled. If cancellation occurs due to inclement weather, the class will be rescheduled**
